EXCEEDING EXPECTATIONS

For Over 40 Years

We take full responsibility
for your satisfaction!

GOOGLE RATINGS

FULL SERVICE CONTRACTOR

That Exceeds Your Expectations

40' X 80' Barndominium

Shown with 16' Walls, Timber Frame Porch,
& Standing Seam Metal Roof

"Total satisfaction is rare, but this time we got complete satisfaction. We are very glad we chose your company to do the job."

— Pat & Bob M.

WHY CHOOSE PINE CREEK CONSTRUCTION?

- **We Treat You Like Family**

We design your buildings exactly to your vision, keep the site clean, & go the extra mile with permitting etc. to make you smile!

- **We Build Buildings for YOUR Life**

Its all about YOU! This means we deliver the building designed exactly to your specs at the best value per dollar spent while staying within your budget. No surprise bills!

- **High-Quality Materials-No Shortcuts**

From our standard 12" overhangs, to the little details like weather stripping & door hardware, every detail is built with quality components for years of trouble-free service!

- **We Turn Dreams Into Reality!**

We will ensure that your new building is the building of your dreams that brings you happiness for years to come.

POLE BUILDINGS

Flexible & Cost Effective

"Your attention to detail and design on our custom garage produced a perfect match to our home. We would recommend you to anyone looking to add a garage."

— Dave & Tracy B.

80' X 136' Pole Building

Shown with 20' Walls, 18'x10' Timber Frame Porch, & 4' Stone Waistcoat

ATTRACTIVE & AFFORDABLE SPACES

We offer a full line of pole building solutions to meet your storage needs—from barndominiums to commercial storage spaces and everything in between. The simplified foundation, material efficiency and reduced labor allow these structures to deliver maximum value per dollar spent.

GARAGES

Customized Storage

"This is my second project with Pine Creek, and they continue to amaze me. They are a pleasure to work with. I wouldn't work with any other contractor to build any of my projects going forward. Currently discussing a project for next year ...they are that good!"

— Ron Banas

30' X 40' Garage

Shown with 10/12 Pitch Roof & Attic Storage,
Standing Seam Roof & Vinyl Board & Batten Siding

MORE STORAGE & A PROPERTY UPGRADE

We offer all styles of garages with customized attic spaces, or even a full second floor. Choose between vinyl or metal siding to get the look that best compliments your property. A garage doesn't just cost money, it adds to your property value and protects the resale value of your possessions.

OPTIONS & UPGRADES

Enhancing Your Structures

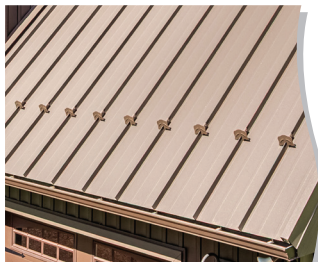

Cupolas

Our cupolas are highly detailed in construction and are made to withstand the elements for many years. We offer many different sizes of cupolas.

Snowbirds, Snow bars and Spouting

Pine Creek Construction offers various options for your roofing. Adding snowbirds or snow bars to your roof will stop the snow from sliding off your roof.

Siding Options

Choose from Vinyl, Log, Board 'N' Batten or Metal Siding. Our Vinyl or Metal Sidings come in a variety of colors.
